India Art Festival (IAF), established in 2010–11, has grown into one of India’s leading contemporary art fairs. Over the years, it has become a key platform that connects galleries, artists, collectors, and art lovers across the country. IAF hosts large-scale exhibitions every year in **New Delhi, Bengaluru, Hyderabad, and Mumbai**, bringing together the wide and diverse creative talent of the Indian art community.

IAF supports both **mid-level art galleries** and **independent artists**, giving them a platform to showcase their work. Every year, IAF presents around **50 art galleries** and more than **1,000 artists**, displaying over **15,000 artworks** through **550 booths** across its editions in Delhi, Bengaluru, Mumbai, and Hyderabad. These exhibitions feature an impressive mix of paintings, sculptures, installations, photographs, and digital art, offering visitors a rich art experience under one roof.

An initiative of **Ruturaj IndoArtFest Pvt. Ltd.**, the art festival receives consistent promotional support from the *Indian Contemporary Art Journal*, published by Aarya Publication.

IAF’s mission is simple yet powerful: to **‘democratize art viewing and buying.’** IAF makes art accessible to everyone while giving equal opportunities to artists from metros, towns, and rural regions. Each edition of IAF acts as a meeting point for art buyers, gallery owners, collectors, and creators, encouraging dialogue, discovery, and new connections in the art world.

Looking ahead, the **2026–2027 season** will feature five major art fairs across four metro cities, offering an even larger platform for galleries and independent artists.
